

# FOLLOW THE SNOWMAN

## OBJECT OF THE GAME:

Don't make any new tracks in the snow!

## WHAT YOU'LL NEED:

- Snow

## INSTRUCTIONS:

**Setup:** Ask one player to walk through fresh snow, making twists, turns, big steps, small steps, etc.

**Playing the Game:** All other players will "follow the leader," trying to match the leader's tracks in the snow and not leave any new footprints behind. The player to make the fewest new tracks in the snow, wins! Then, repeat the game with a new leader!
