OBJECT OF THE GAME:

Make a basket before the person behind you!

WHAT YOU'LL NEED:

- 2 Paper Balls
- Plastic Cup
- Blanket or a couple of towels

INSTRUCTIONS:

Setup: Lay a blanket on the ground, then place your cup in the center. Players will line up on one side of the blanket.

Playing the Game: To start the game, player 1 takes a shot from the starting line, trying to make their paper ball into the cup. If they miss, they will move around the blanket edges, taking shots. After player 1's first shot, player 2 takes their first shot from the starting line. If player 2 makes a shot before player 1, they are out.

Tip: Play the game on a larger scale with a basketball goal and lines on the ground!
