

PAPER AIRPLANE TARGETS

OBJECT OF THE GAME:

Throw paper airplanes through the targets to earn the most points!

WHAT YOU'LL NEED:

- Sheets of paper
- Marker
- Poster board, large sheet of paper, or cardboard
- Scissors or knife
- Tape

INSTRUCTIONS:

Setup: Create targets by cutting holes in your poster board big enough for paper airplanes to fly through. Then, use a marker to assign a point value to each target. Use tape to hang the poster board in a door way.

Playing the Game: First, players will make their paper airplanes. Then, they will take turns throwing their planes toward the targets to earn points. The player with the most points at the end of the game, wins!
