

RABBIT HOLE TAG

OBJECT OF THE GAME:

Avoid getting tagged by the fox!

WHAT YOU'LL NEED:

- Hula Hoops
- Cups or Cones
- Large playing space

INSTRUCTIONS:

Setup: Set each hula hoop up on cones or cups turned upside down, creating "rabbit holes." Designate one player as the fox, and the rest of the players as rabbits.

Playing the Game: On "go," the fox will chase the rabbits, trying to tag them. To get safe from the fox, rabbits must jump into their "rabbit holes." If a rabbit knocks the hula hoop off of the cups or is tagged before entering the rabbit hole, they become the fox for the next round of play.
