The OSU-COM Continuing Medical Education office is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

The OSU-COM CME office designates this program for a maximum of 20 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

Application for Emergency Medicine specialty credit has been filed with the American Osteopathic Board of Emergency Medicine. Determination of specialty credit is pending.

Application for Prescribed credit has been filed with the American Academy of Family Physicians. Determination of Prescribed credit is pending.

**AMA/AAFP Equivalency**

AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 Credit™ toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed credit, not as Category 1.

Attendance at selected seminars qualifies the attendee for credit toward PLICO Risk Management premium credit.

Students/Interns/Residents/Fellows ..................................................................................... $0
Proper Prescribing Lecture only ........................................................................................... $35.00

Conference Objective

The objective of the 21st Annual Emergency Medicine Review is to enhance the knowledge of emergency care providers, thereby improving patient care in the emergency department as well as in the private office setting. Participants in this program will become aware of new updates in emergency medicine treatment and practice and gain a better understanding of the variety of patient types and conditions seen in the emergency department in the urban and rural setting.
