Time Off:

Each program permits a maximum of twenty (20) business days (Monday through Friday) of time off, which includes vacation, professional interviews, sick, bereavement, maternity leave, or other time off as may be granted by the Designated Institutional Official.

The twenty (20) days are designated as follows: Three (3) weeks shall consist of a total of fifteen (15) weekdays (Monday through Friday) at the discretion of the Program Director, and one (1) week will include five (5) days during the weeks of Thanksgiving, Christmas, or New Years. Time off not taken during any training year is not carried over to the following year.

Insurance and Liability Protection:

OSU Center for Health Sciences provides professional liability insurance for all residents and fellows within the scope of their training.

Residents/Fellows will pay a portion of their monthly health insurance premium plan selected by the medical center. The resident will be required to pay for spouse/children. Payment of medical claims will be governed by the terms of the group insurance contract. Co-payments, deductibles, non-covered charges, etc., will be the responsibility of the resident.

Disability Insurance is provided during the period of resident/fellow training.
